## SWCHR LEG 3

- Leg 3
- Check point
- Handover Point

0 250 500 m

From the Leg 2/3 handover (NN743273) head along the track to the farm. Turn right at the farm and go through metal gate; follow public footpath. Stay on hard core path and take next right fork. 100m after the small dam take the left fork; continue uphill. Follow path uphill until it levels out at a large cairn (771293) on the right. Follow a bearing of  $070^\circ$  to find a faint path which takes you to the fenceline and CP6 (NN775295)

Turn right at CP6 and follow the fenceline ( bearing  $160^\circ$ ) over Meall na Siede to CP7 (NN784283). Turn right here to find a faint path (bearing  $200^\circ$ ) through boggy heathery terrain. Find the start of the Landrover track NN781280 and hurtle downhill to Carroglen Farm. Go over the metal gate on the left and go through the farmyard to take the road on the other side of the farm. Turn right at CP8 (NN767252) and follow the path down through the bracken. Cross a small burn and 30m later go over a wooden gate. Cross the larger burn and look for the path up the bank opposite. Follow path towards and through a gap in the wall (bearing  $290^\circ$ ). Follow grassy lane to the handover point at Funtulich (NN749263).
