

STRATHEARN HARRIERS

The club for runners in the Crieff and Comrie area of Perthshire

From the Leg 3/4 handover (NN749263), follow the incoming route along the river to join the Landrover track at CP8 (NN767253, but ignore this checkpoint). Go south on the track to a gate on the right opposite cottages at 765246. Cross the field to the river and over the bridge. Cross the road and head straight up to bealach at 763238, turn left and along the track to CP9 (NN766234) at the monument.

Return to the bealach and turn left down a path, through a gate and onto the hill road. Go west down the hill road, to reach CP10 (NN 750236). Turn sharp left at CP10 and follow the track south east to reach CP11 (NN 757228). Turn left at CP11 across the bridge and climb back up through a field and then through trees to the Glen Lednock road at 764227. Turn left and along the road for 700m to CP12 (NN767233), then turn sharp right down the path through woods to emerge onto the main road in Comrie.

Turn left into School Street, go past the primary school on your left and follow the path straight to the bridge in the woods and then on to Laggan Park and the finish.
